

CLIMATE INVESTOR FORUM

20 March 2024
MCG Melbourne

Connecting Capital to Accelerate Climate Solutions

Exhibition Sponsorship 2024

Organised by
CLIMATE ZEITGEIST

Benefits of Exhibiting at the Climate Investor Forum

- ✓ **High Profile Exposure in a Key Network-** face to face interaction with key decision makers including buyers and investors at the Climate Investor Forum.
- ✓ **Introduce and Showcase-** your new products or services, highlight your continued innovations, developments, and unique offering to highly targeted buyers and investors.
- ✓ **Brand Visibility-** exhibiting at the Climate Investor Forum has proven to be an effective way to build and position your brand, stand out and reflect your place in the market.
- ✓ **New Investments and Sales-** with a number of companies reporting significant sales, contracts and new investment mandates secured at the last Climate Investor Forum; this is the premier place to network and exhibit your company.
